Dear Village Resident,

The Village has recently purchased property that abuts White Cottage Cemetery and we have been able to establish 50 additional burial lots that are for sale. Richard Slack, with Slack and Wallace Funeral Home, is helping us mark off the lots and establish the necessary paperwork and certificates of internment rights.

To date, 8 lots have already been sold and more people are expressing interest.

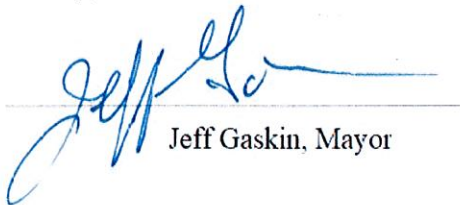

We would like to install a very nice wrought iron fence with gates around the North Kenova Rd and Solida Rd borders that we feel will be a great improvement to the cemetery and the Village's main entrance. We have estimates in the neighborhood of \$36,000 for the improvement.

We are accepting contributions for this project. Any contributions received goes directly into the Village's White Cottage Cemetery Fund that accounts for all receipts and expenditures relating to the cemetery.

We accept cash or check made payable to Village of South Point, 415 Solida Rd., South Point OH 45680. You will be provided a receipt.

Any help you could give to this project would be greatly appreciated.

Sincerely,

Jeff Gaskin, Mayor
